

Michigan Flower Farm Estimated Bloom Times

Approximate Bloom Times – Some flowers depend heavily on climate to determine when they will bloom. This is especially apparent at the beginning of their bloom cycle. At the end of the bloom cycle, most importantly through the month of October, frosts and freezes can end the bloom cycle.

Please visit michiganflowerfarm.com for more information – Thanks!

Flower Name	March	April	May	June	July	Aug	Sept	Oct	Nov
Ageratum				Green	Red	Dark Red	Green	Orange
